Dear Sirs

VIKING LIFE-SAVING EQUIPMENT A/S hereby accredits the organization listed below as a servicing station for VIKING Inflatable liferafts, Lifejacket and Immersion Suits :

AL-NAJM AL-THAQIB CONTRACTING CO.
Light Industrial City P.O. Box 74
31951 Jubail, Saudi Arabia
VIKING authorized servicing station No. 771.

Continued accreditation of the above mentioned servicing station is subject to its maintenance in accordance with **IMO Resolution A.761(18), Recommendation on the conditions for approval of servicing stations for inflatable liferafts** and the use of servicing personnel in possession of a valid certification to service the mentioned products.

Likewise, the accreditation is only valid as long as the servicing station complies with agreement no. 771./2022 between VIKING and the servicing station. If the agreement is terminated or expired this accreditation as well as all personnel certificates immediately become invalid.

This accreditation is furthermore subject to the organization's maintenance of the approval of the National Administration.

VIKING reserves the right to withdraw this accreditation if the conditions listed above are in any way violated.

Subject to compliance with the above conditions, this accreditation is valid until expiry of above agreement on 31 March 2025.

Yours faithfully

VIKING LIFE-SAVING EQUIPMENT A/S
